*Good morning yesterday.
You wake up
and time has slipped away . . .*

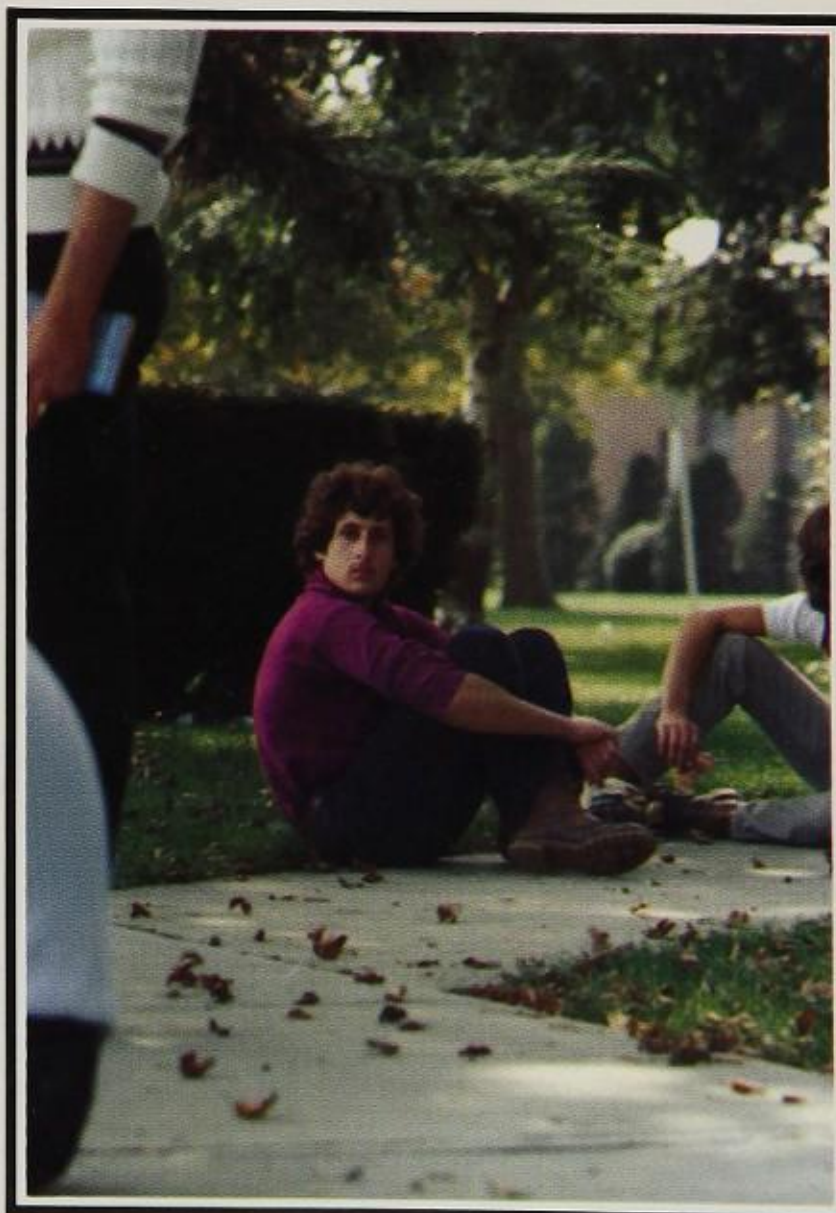

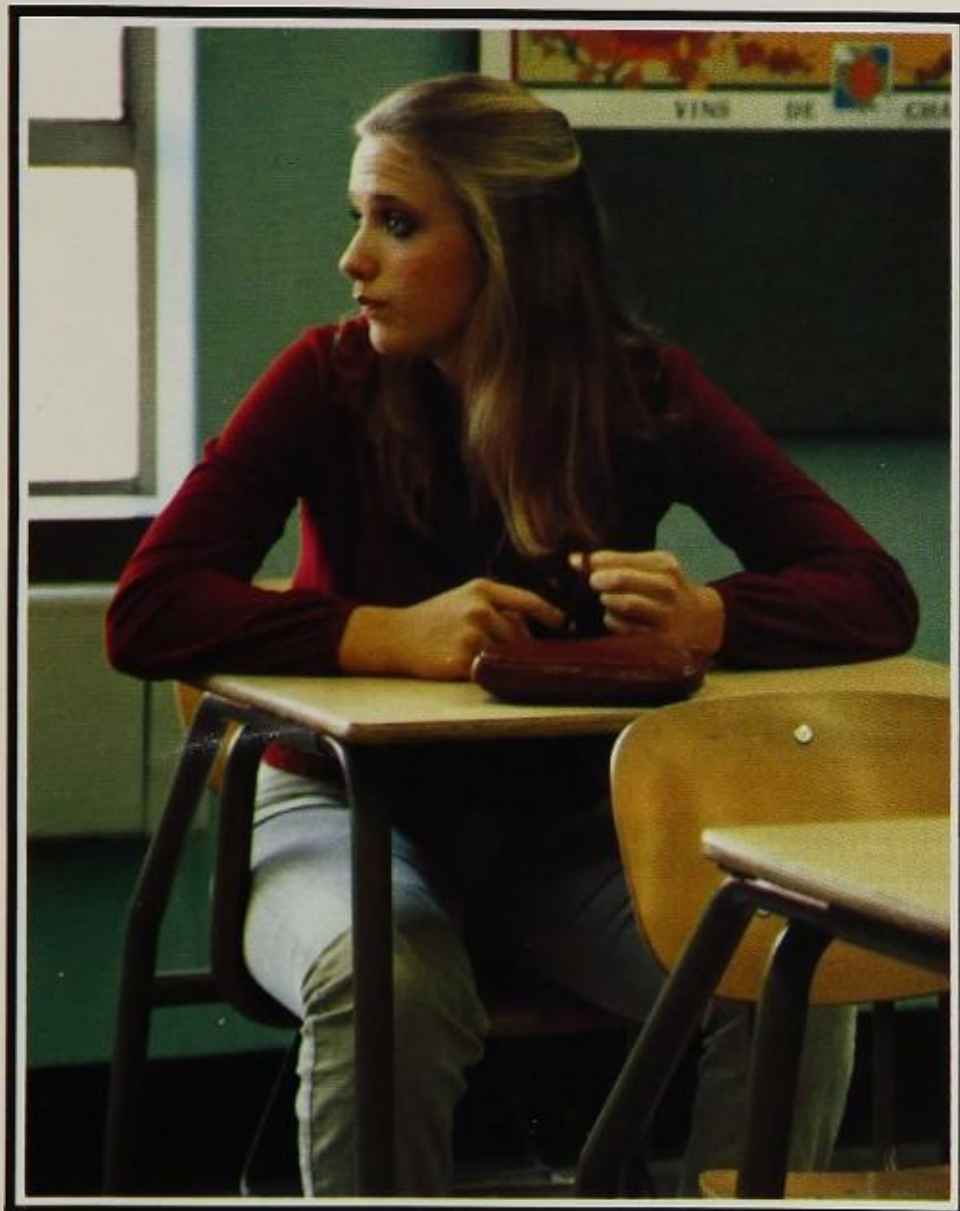

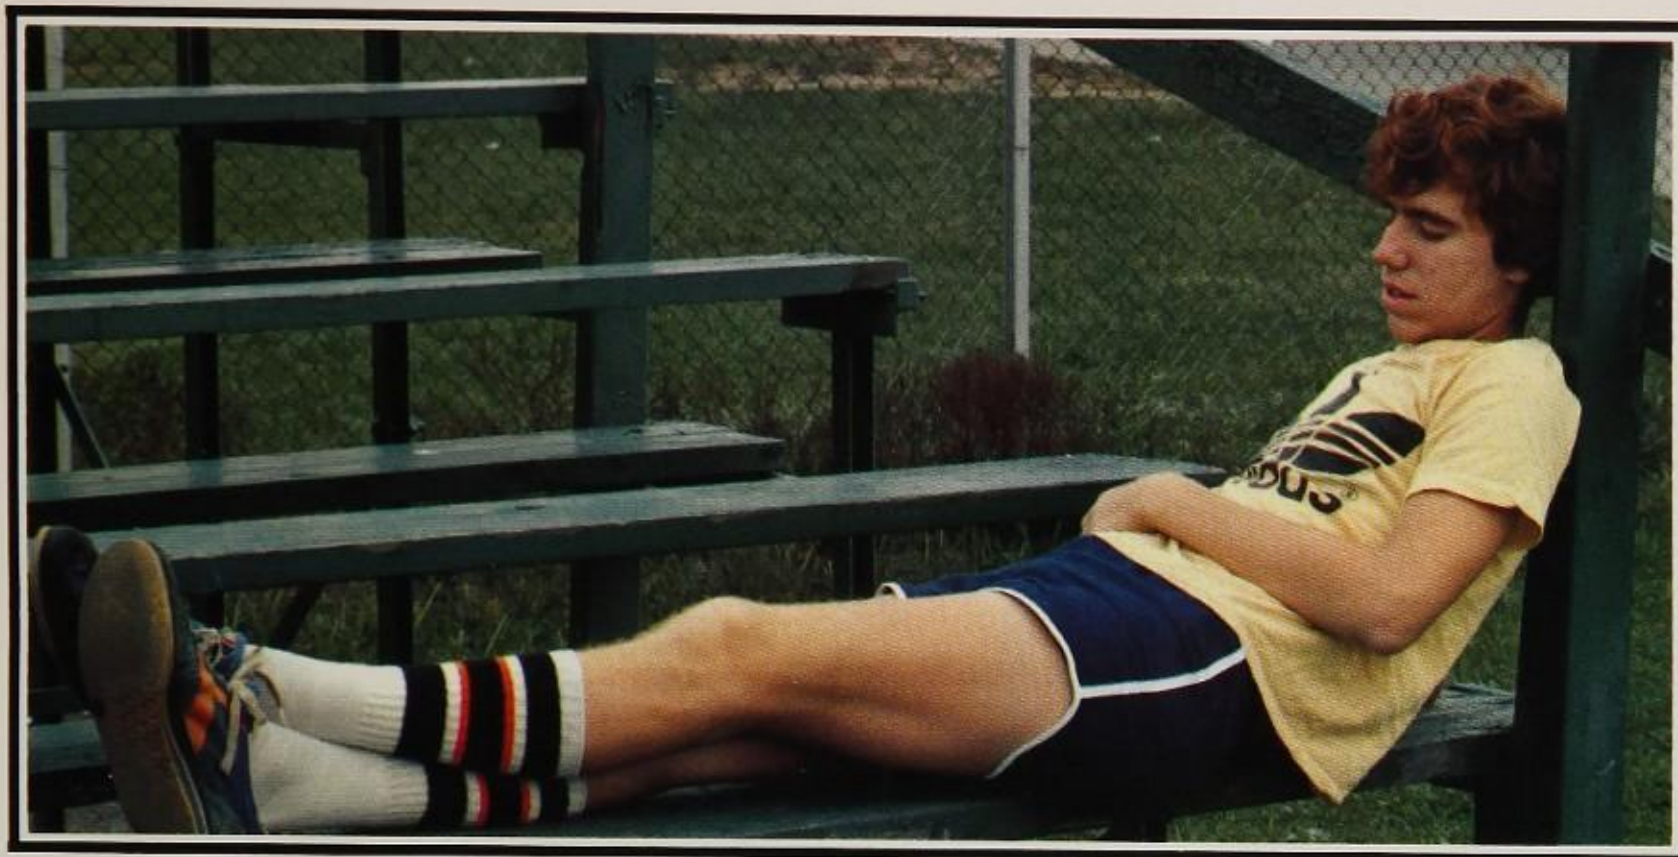

*And suddenly it's hard to find
the memories you left behind.
Remember . . . do you remember?*

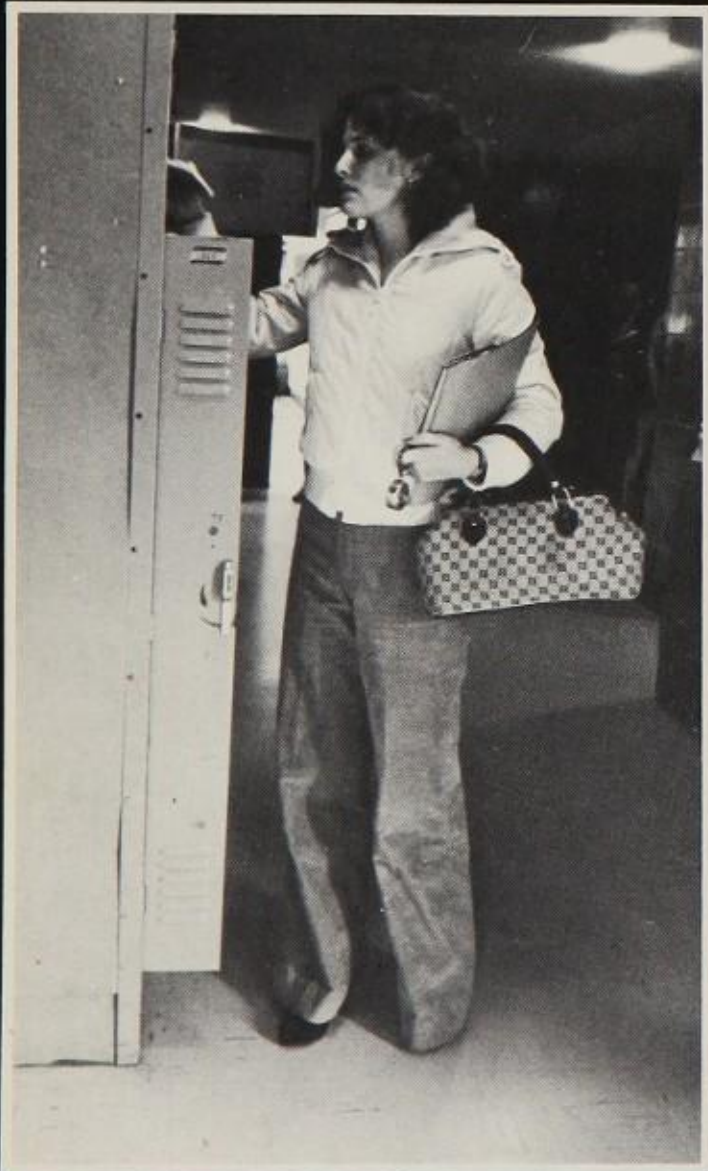

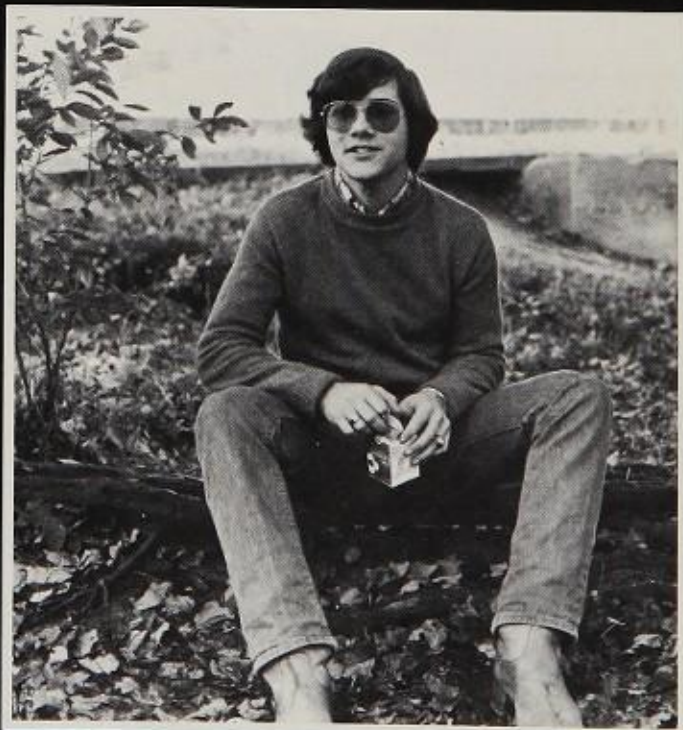

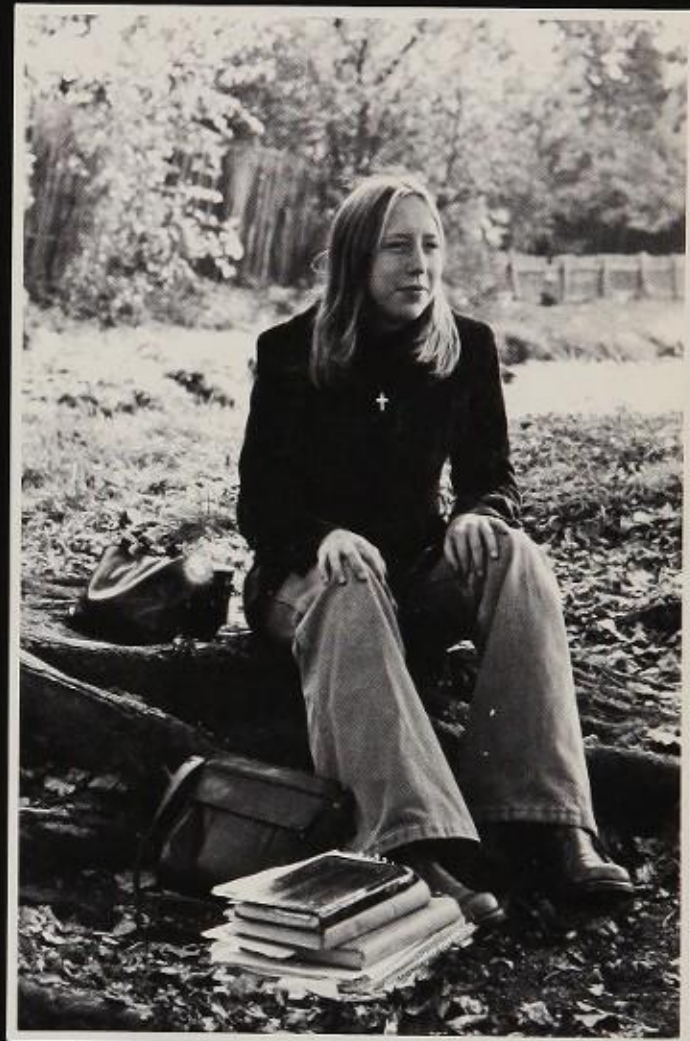

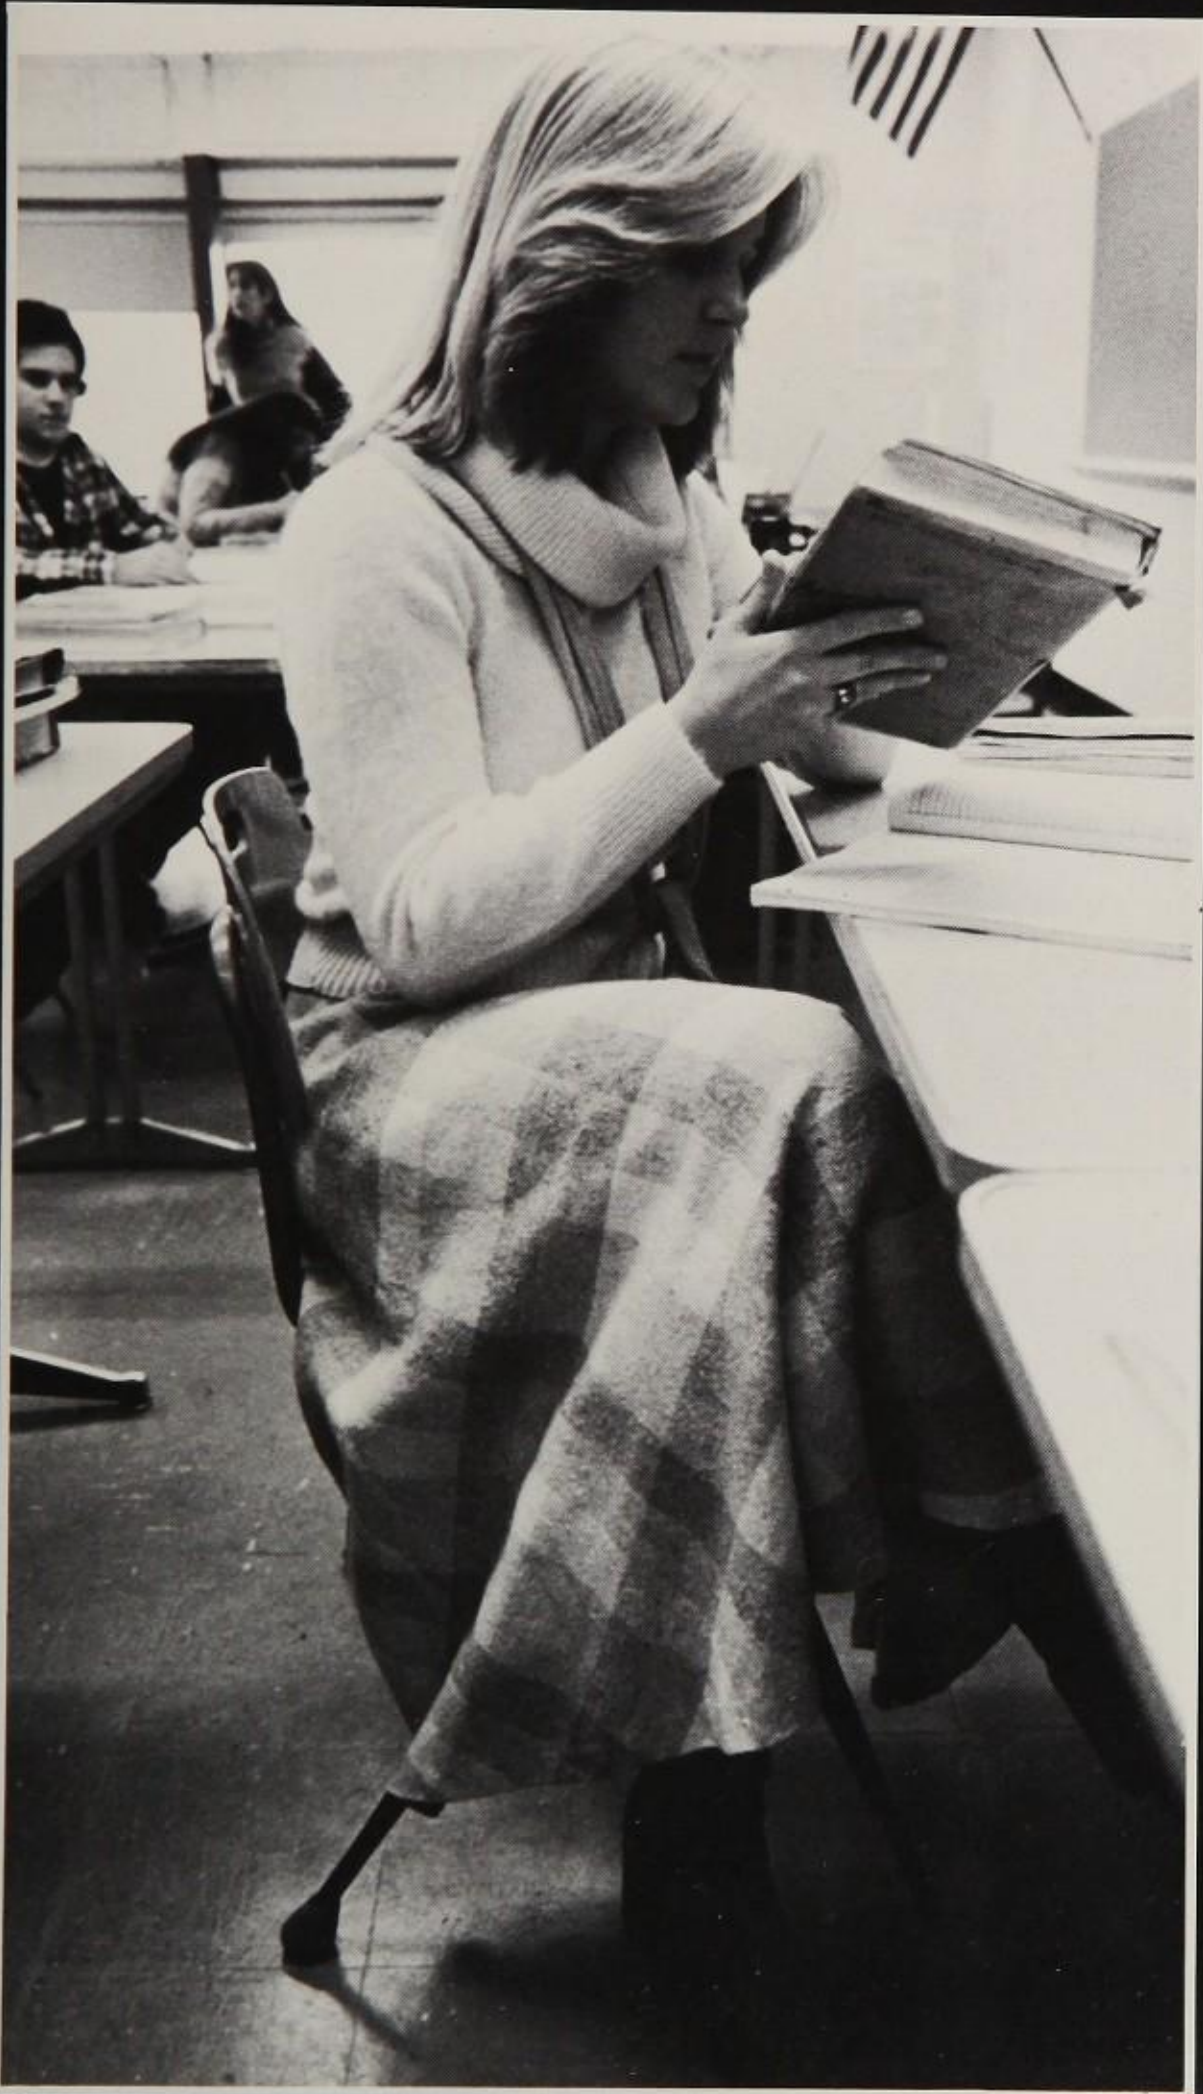

*The laughter and the tears,
the shadows of misty yesteryears . . .*

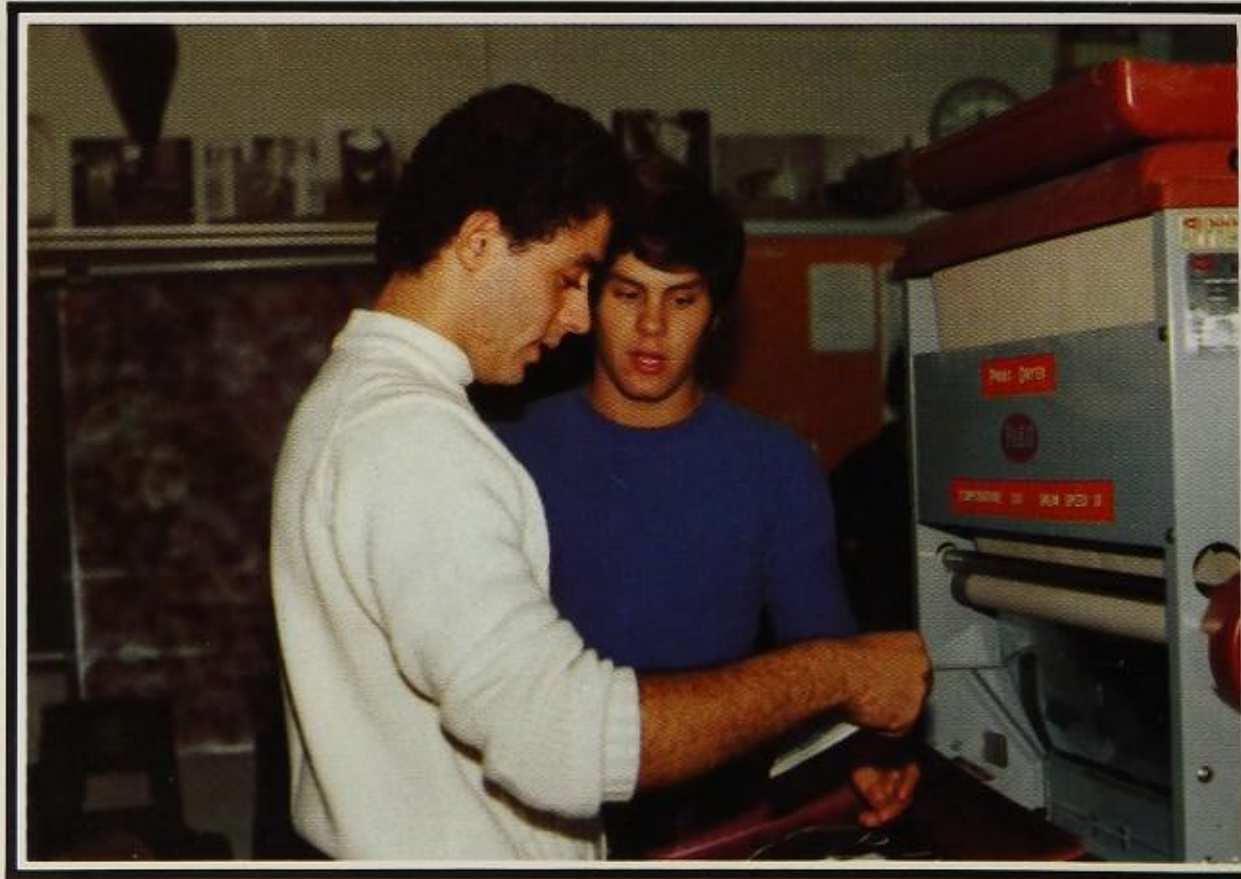

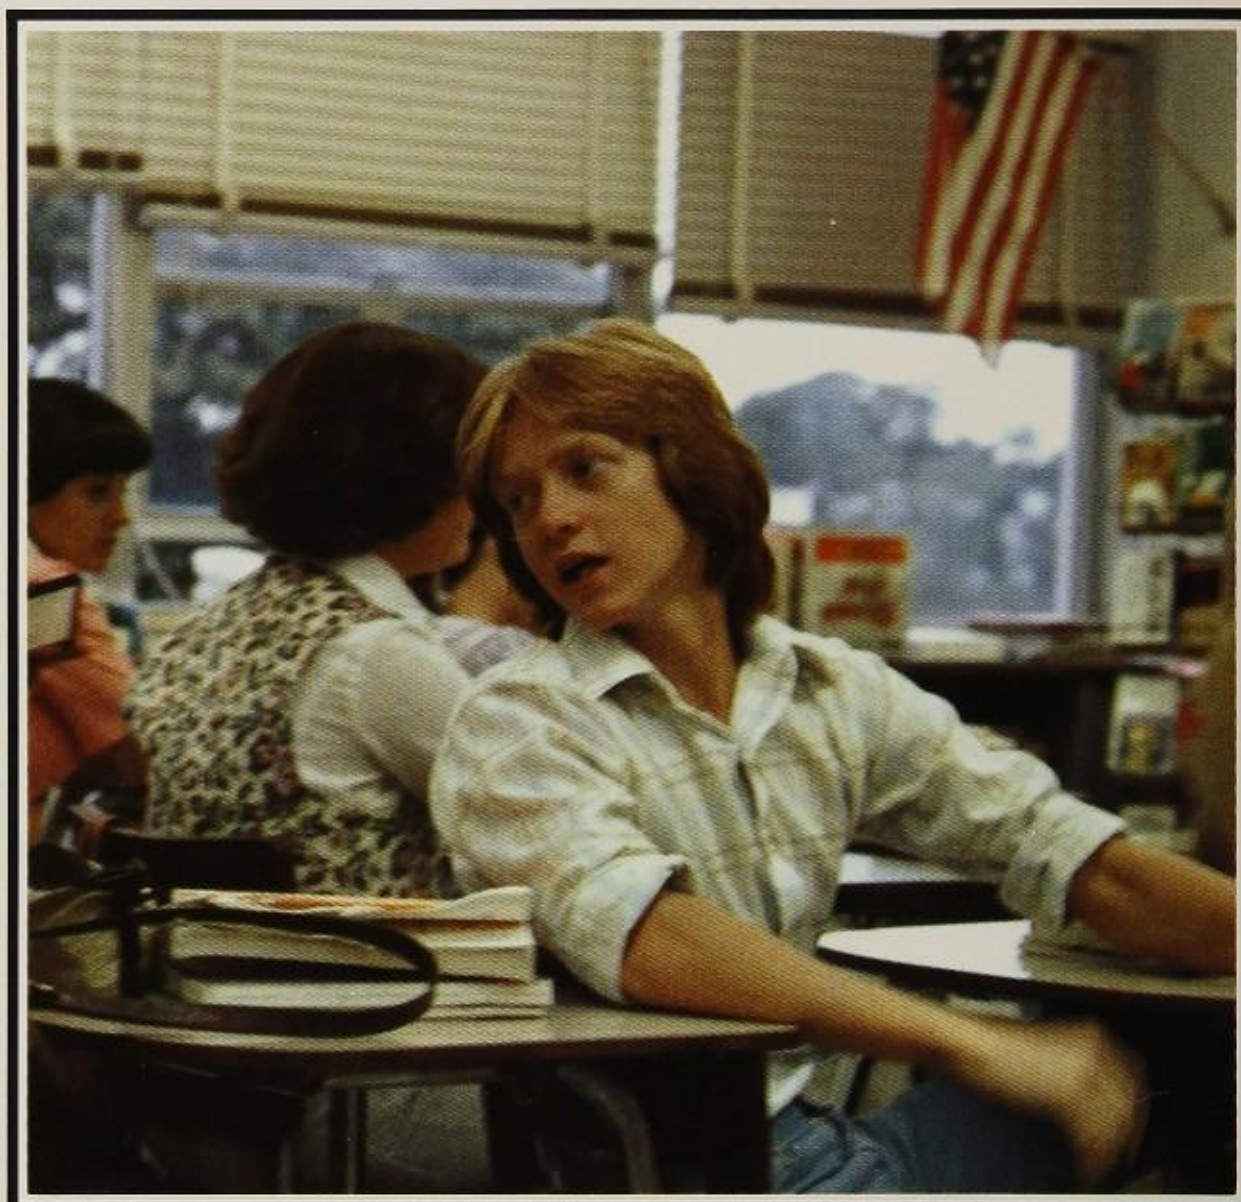

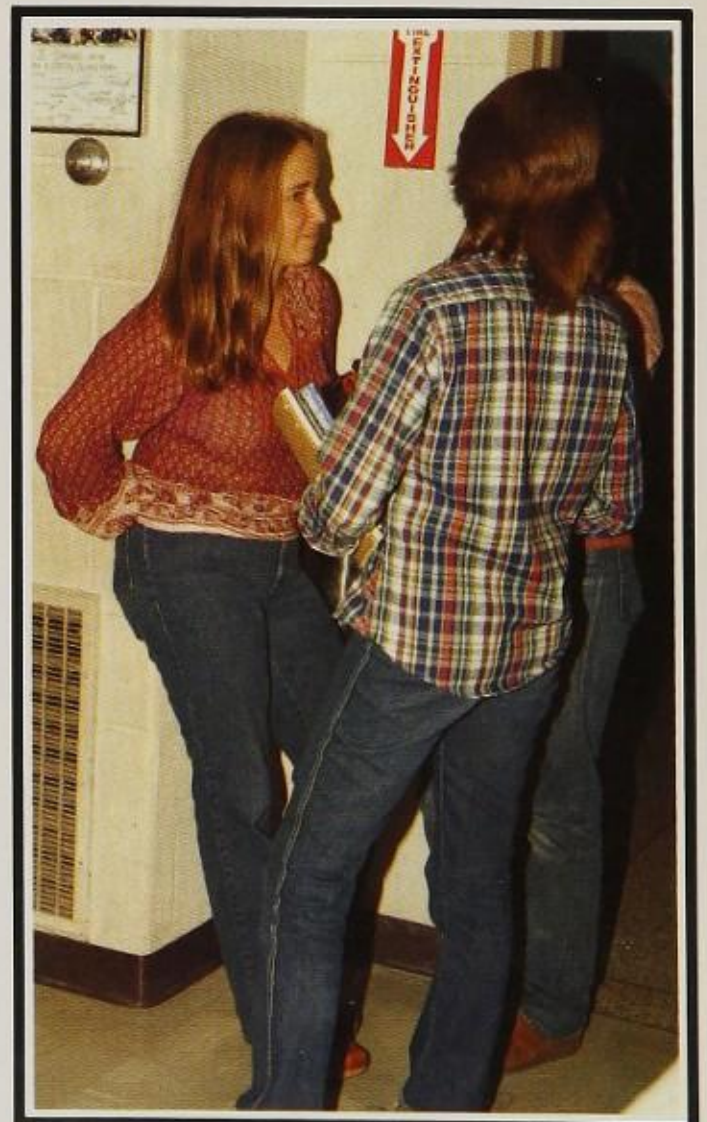

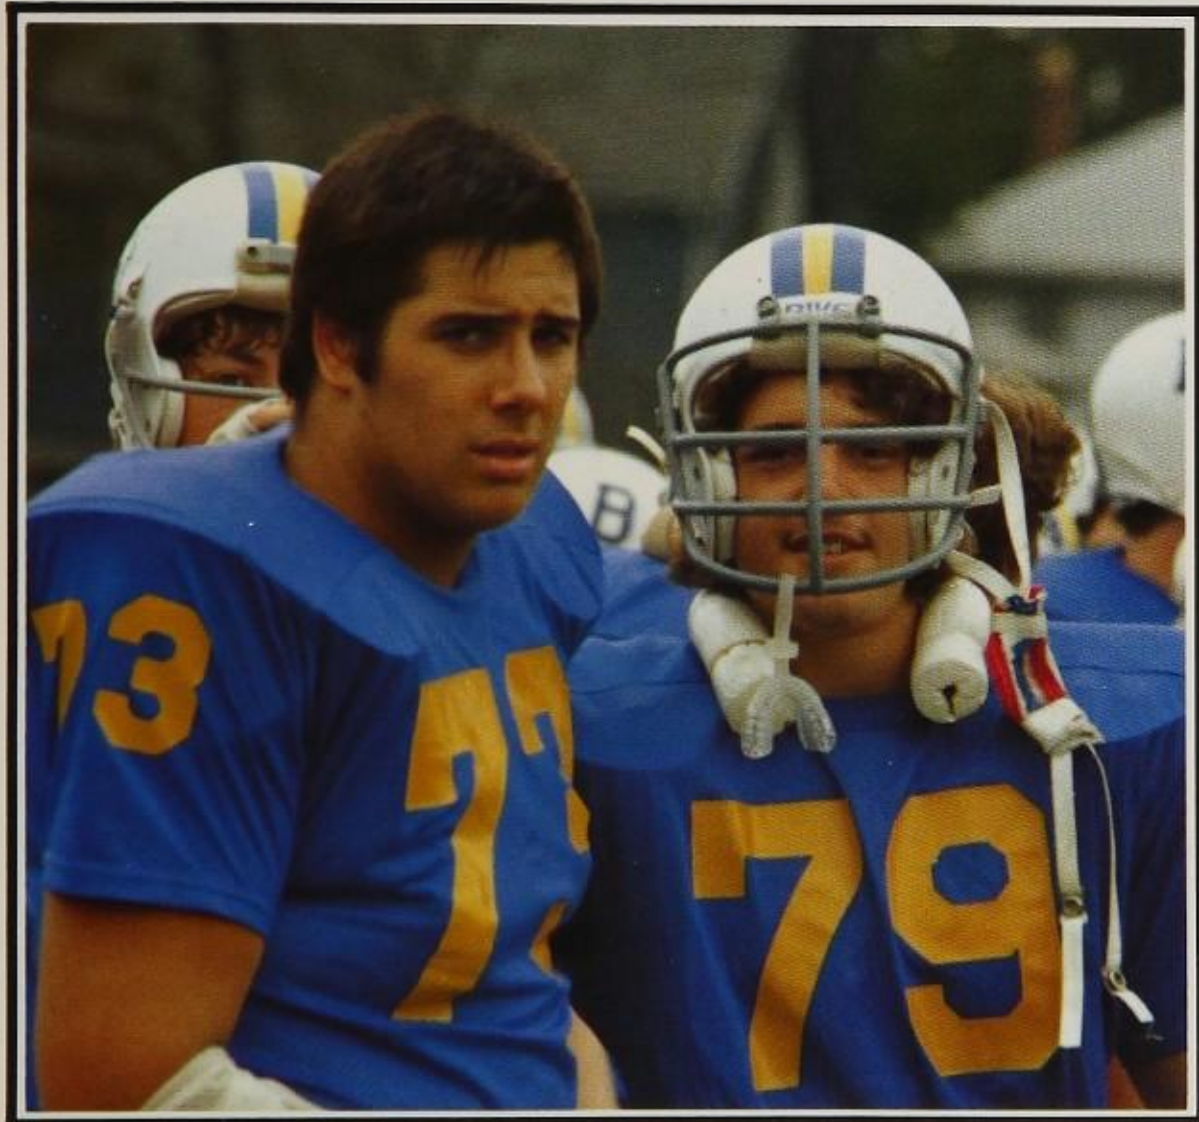

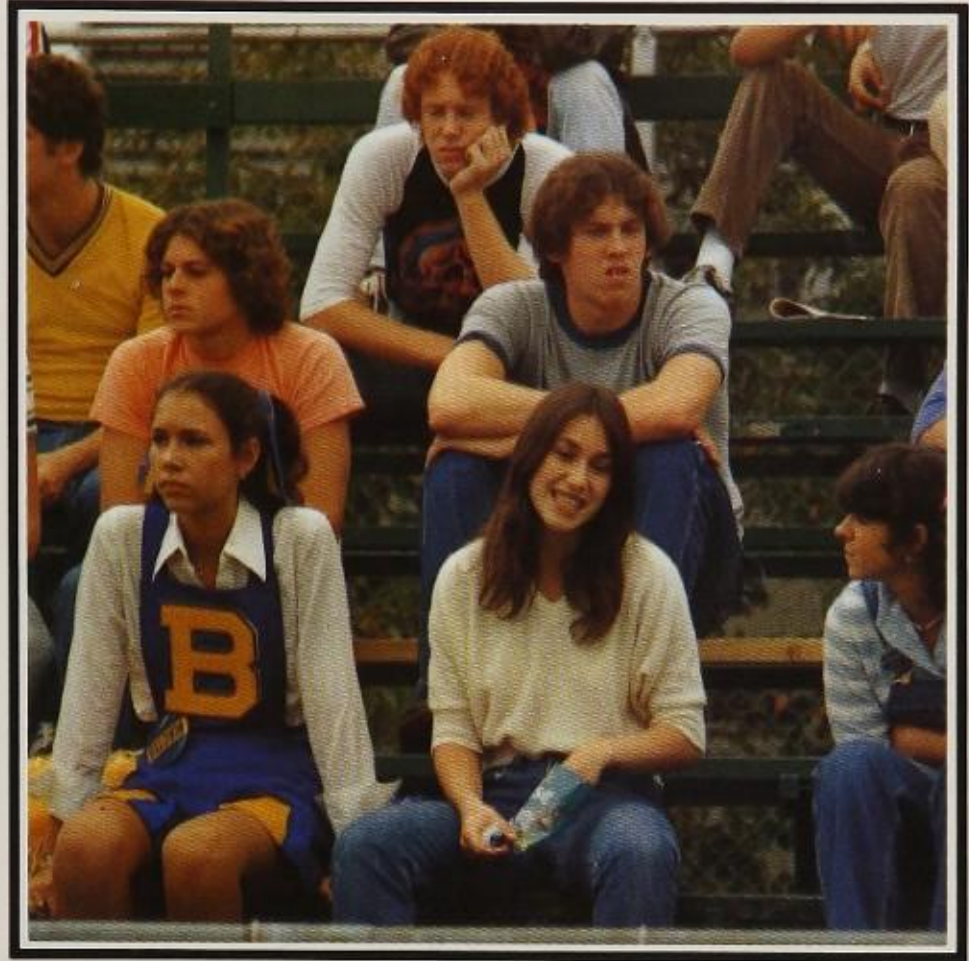

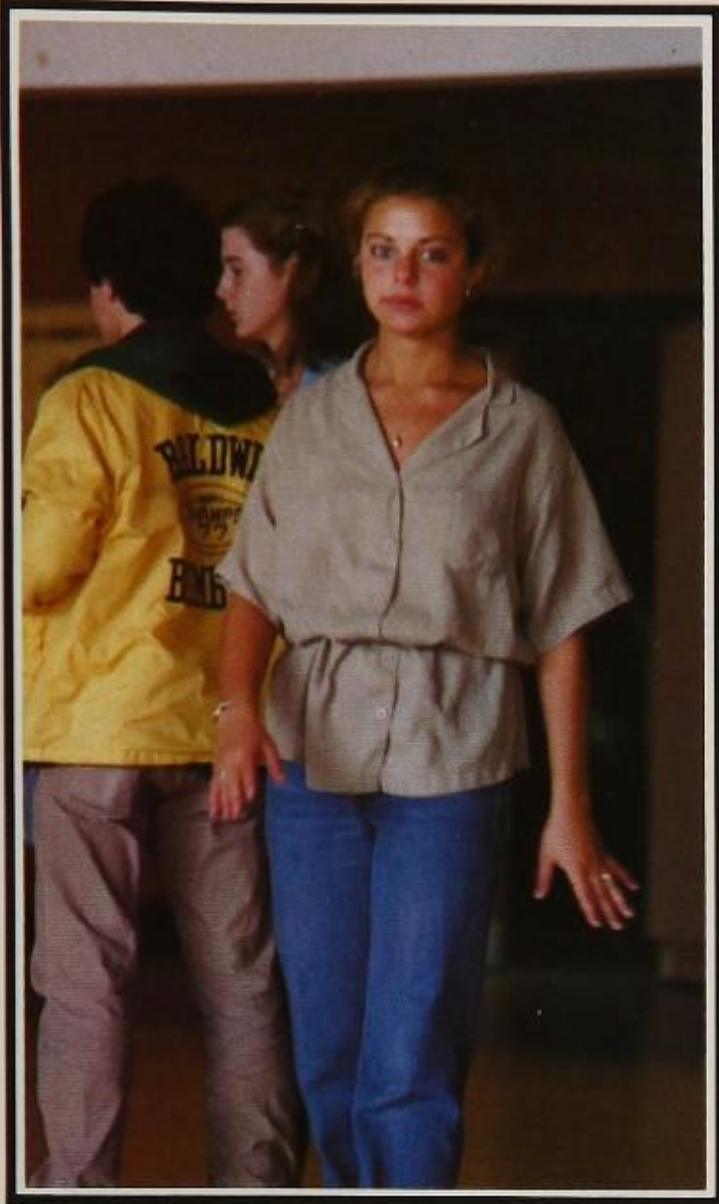

*The good times and the bad you've seen,
and all the others in between.*

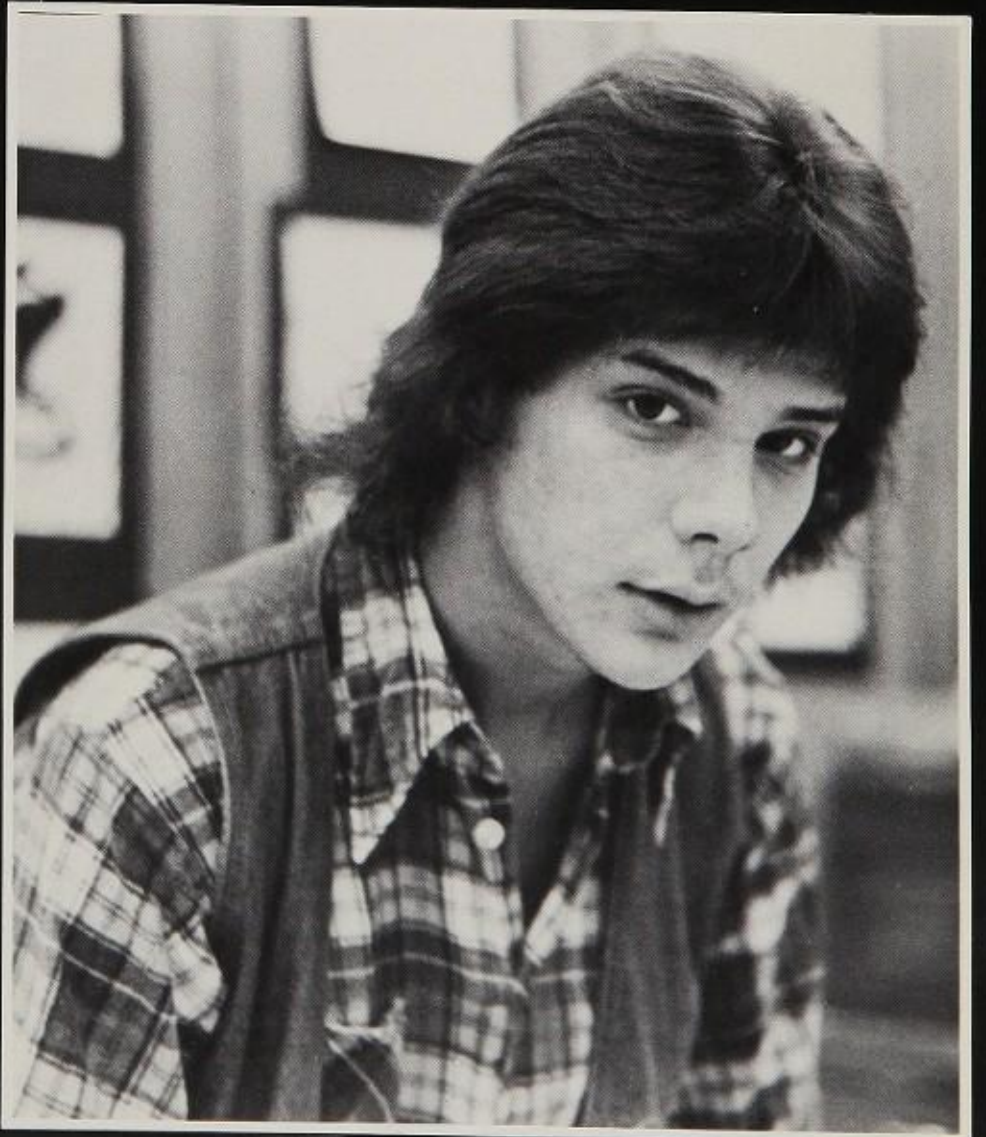

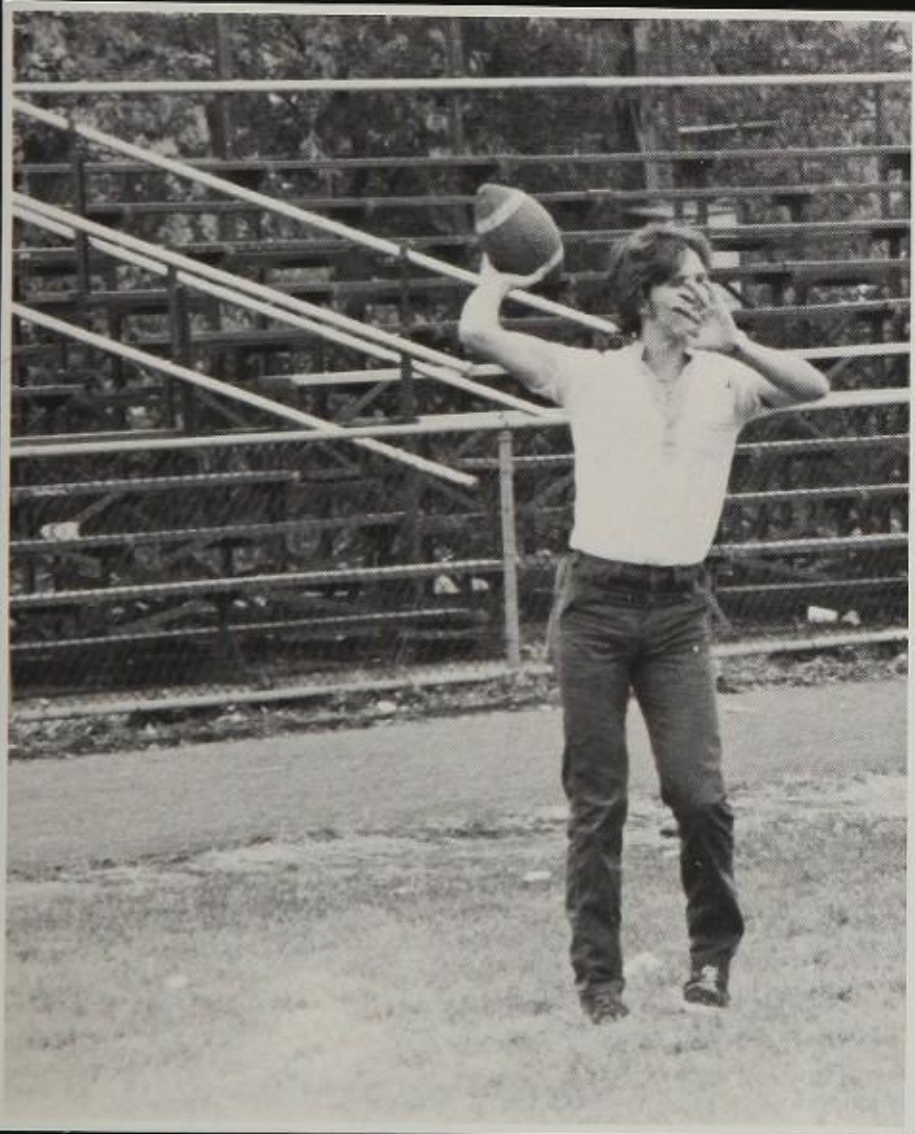

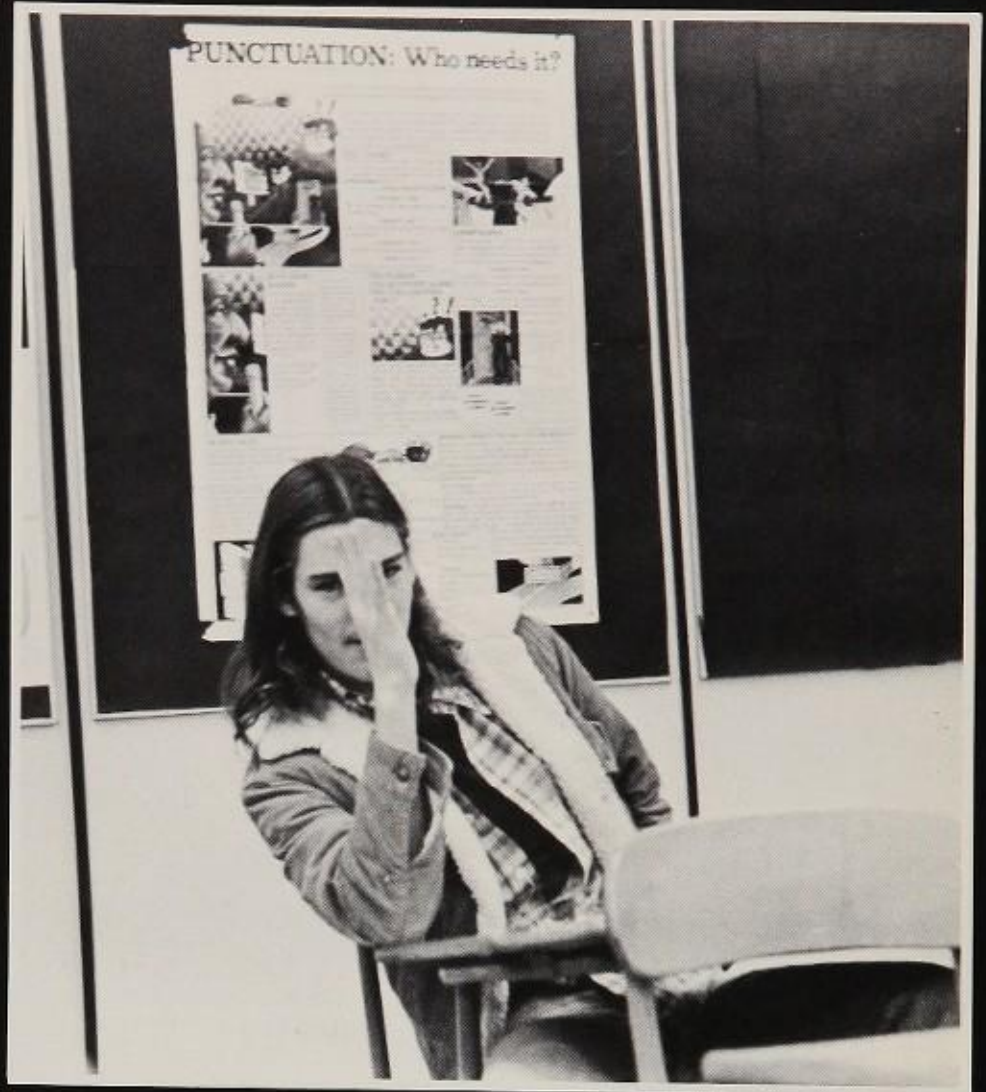

*Remember . . . do you remember
the times of your life?*

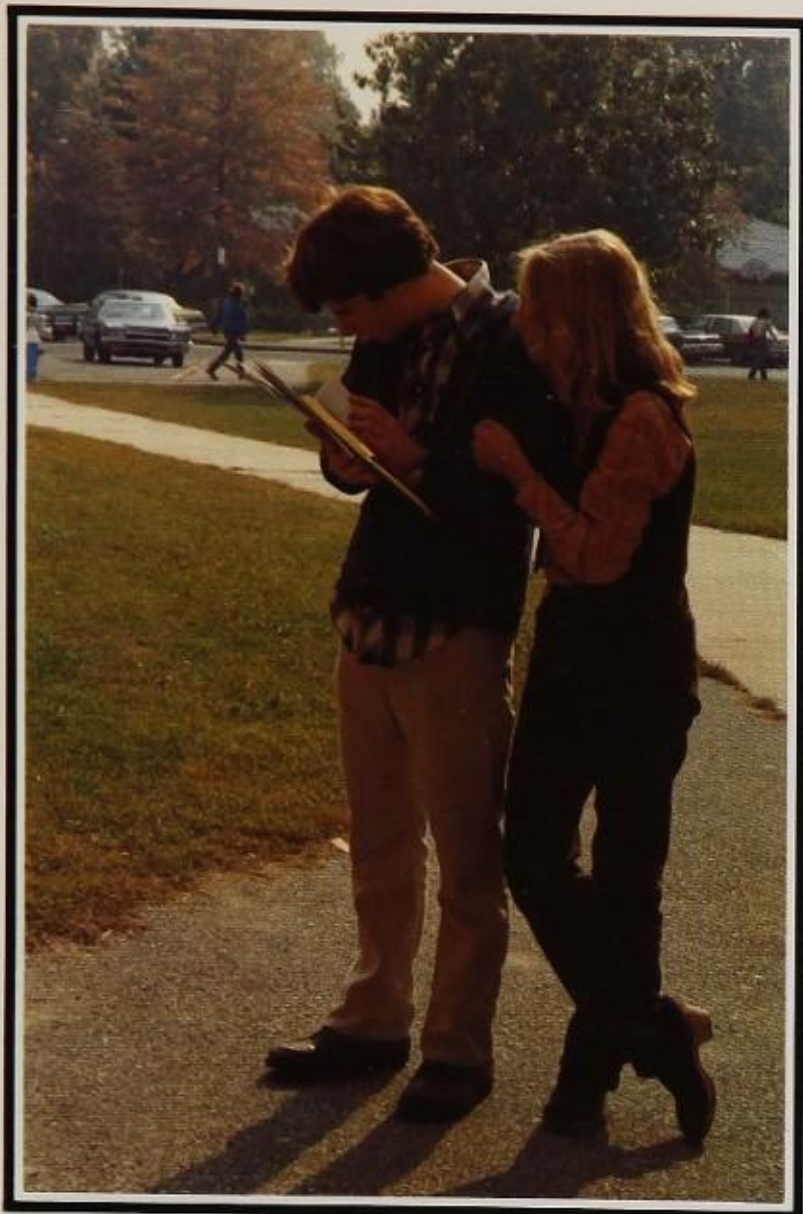

*Each path of the joy and the sorrow,
put them away in your mind.*

*The memories are time that you've
borrowed
'cause then when you get to tomorrow,
here comes the setting sun.
The seasons are passing one by one.*

*So gather moments while you may;
collect the dreams you dream today.
Remember . . . will you remember
the times of your life?*

Our 1980 Seniors

Looks like we've made it all the way to our high school graduation! Most of us have been thinking about this for a long time: probably as far back as elementary school, huh?! Well, our high school years are just about ready to end. It doesn't seem that long ago that we entered Baldwin High and now we're about to leave, soon to go our separate ways. It's time to say goodbye and to move on — move on to other experiences and move on in our lives. We have grown into individuals with our own lives to live. Some of us will be staying here, others will be going away. Yet during our high school years we all have made friendships that will last a lifetime.

We look back on our senior year with lots of memories of the times we've shared. Everything came up roses for our Senior Variety Show. We faced up to our opponents in Classmate, despite our two defeats in previous years! We shared our senior spirit on the class trip and with great expectations, we look forward to the prom.

Now that it is time to part, we find it hard to say a simple "good-bye". As the first graduating class of a decade, we wish each of you good luck and happiness in the years to come. May you get the most out of life. Those tears of good-bye will not only express the sadness of parting, but also the happiness that our memories bring. As we part, we'd like to say thank you for electing us to serve as your senior officers. We've tried our best and we are proud of our class. Thank you to Mr. Fanning and Mr. Ferrante. We hope to see you at our Class of 1980 reunions in the future to bring our class together again. We hope that life holds for you all the dreams in your heart. Live, love and laugh forever. Thank you... and good-bye.

... All the happy days we'll
treasure in our hearts.
Although the Hands of Time
choose to wave good-bye.

1980 BRUIN

MESSAGE FROM THE EDITOR

I would like to thank the staff of Bruin '80 for their terrific work, as well as my friends and family for their support in helping me make this book a success. I am proud of it and I hope you are too.

I would also like to thank Mr. Lynch, Mrs. Lassus, Mr. Phil St. Pierre, Mrs. Lunde, and Carol Studios for their help and services. The entire staff and I appreciated it greatly.

Last but not least, I would like to express my deepest appreciation to Mr. Mitch Alvins for his expertise, good taste, patience, and sense of humor. He is the best advisor any editor could have, and without his support and dedication this book might never have been published.

As we, the Class of 1980, face the challenges of the future, we must also remember the past. Hopefully, this book of pictures will remind you of "the times of your life" here at Baldwin Senior High School.
